

PHASE 2

Northdale Park

AN EXCITING DEVELOPMENT OF BRAND NEW
HOMES IN RAUNDS, NORTHAMPTONSHIRE

NORTHDALE PARK

A growing new community

NORTHDALE PARK is a partnership between Bowbridge Homes and Snowdon Homes where it is our intention to not just build houses but establish a new community. A community is a living entity, which develops organically and is shaped by each and every individual, couple and family living there.

We hope **Northdale Park** will become just such a community – growing in maturity over the years and blending with the bigger, vibrant community of Raunds itself to become an integral part of the town.

The many facets of **Northdale Park**, such as Northdale Common, the wildlife pond, the gently curving streets and the housing in and around Northdale Court, all introduce diverse elements, adding interest to the development, giving it character and promoting quality of life through a pleasant environment.

The design and layout of **Northdale Park** incorporates many pockets of public green space to break up the street scenes and bring in areas for relaxation, dog-walking and play.

At **Northdale Park** we have brought together contemporary external designs and materials which sit perfectly within their environment, and internal layouts that are flexible and perfectly suited to the needs of the modern family.

Northdale Park is set to grow into a great community for the future.

Northdale Park's layout and open spaces make it a great place to bring up a young family.

WELCOME TO RAUNDS

A bustling town in the beautiful Nene valley

WATER IS A THEME of the area around **Northdale Park**, from the wildlife lake at the foot of the development to the many gravel pit lakes which accompany the River Nene on its meandering journey through the area; water provides a place for a few minutes' peace and quiet on the edge of the site, a shopping trip to Rushden Lakes shopping centre or time out with the family at Stanwick Lakes country park, which offers a wide range of leisure pursuits.

The market town of Raunds sits on the southern side of the Nene Valley, just 10 miles from Wellingborough and 20 miles from

Northampton. Its historic connections date back to Roman times, with a Roman villa discovered during the 1980s in the Nene Valley nearby.

The town's shoe industry has now gone, but was significant in the history of Raunds, with a march to London in 1905 to campaign for improved pay for Army bootmakers.

The Raunds Music Festival fills the town with folk, jazz and roots music in early May every year.

The town caters for children up to and including secondary age in its pre-school (rated Outstanding by OFSTED), infants and primary schools, St Peter's CE Academy and Manor School Sports Academy (all OFSTED Good).

Rushden Lakes has many big brand shops and also offers leisure activities and restaurants.

Nearby Stanwick Lakes is a 750-acre wetland reserve which is great for walking and cycling.

St Peter's Church overlooks the town from its position above the High Street.

Perfectly located for work and leisure

Raunds enjoys good links to the road network, sitting near the crossroads of the A14 and A45, which means good travel times to the Midlands, the M1, A1(M) and the East Coast. Rail services from Wellingborough serve St Pancras in 55 minutes; Kettering to Leicester takes just over 20 minutes.

WHO WE ARE

In partnership to build a better environment

Bowbridge Homes and **Snowdon Homes** only create properties of which we can be proud. We build homes the way we think they should be built and that people aspire to live in. You can rest assured that each of our homes has been thoughtfully designed with a keen eye on the details that improve everyday life.

Working together at Northdale Park, we are able to offer the innovative and creative development for which **Bowbridge Homes** are renowned, along with the excellent build quality synonymous with **Snowdon Homes**.

We are proud of not being national housebuilders, as this allows us to look at schemes individually and do the right thing for each development site and the community within which it sits.

CUSTOMER CARE is at the very heart of your purchase with us. We know that buying a new home can be stressful, which is why our dedicated sales team will be with you throughout the journey. This doesn't end when we give you the keys to your beautiful new home: we provide a comprehensive handover and introduction to your new home and an ongoing Customer Care service that ensures peace of mind once you have settled in.

Each of our homes comes with a 10 year NHBC New Homes Warranty and we also subscribe to the Consumer Code for Homebuilders. You can therefore rest assured that every home has been built to the highest standards. For more information please visit www.consumercode.co.uk

Our aim is to ensure that you will be absolutely delighted with your new home - right from the moment you receive the keys.

THE MINTRIDGE FOUNDATION

A sporting chance for young people

The girls from Manor School clearly enjoyed their inspiring time with Pamela Coockey!

At **Bowbridge Homes** we aim to make a positive contribution to the communities that we work in – and this is not just limited to creating amazing new homes!

We are proud to work with **The Mintridge Foundation**, a registered charity based in the East Midlands which is dedicated to enhancing life skills in young people through sport. We have committed to sponsoring a mentoring programme in every community that we are active in.

The Mintridge Foundation provides a support network for young people by harnessing the power of positive sporting role models. Their team of Ambassadors – Olympians, Paralympians and other professional sports stars from over 20 sports, both team and individual – work with young people in schools, clubs and academies across the UK.

They assist young people of all ages, abilities and physical capabilities to develop confidence and resilience, and create awareness of the importance of mental and physical wellbeing through sport.

In November 2019, former England Netball Captain Pamela Coockey visited Manor School in Raunds on a programme sponsored by Bowbridge Homes, which focused both on netball skills and the skills she has drawn upon during her successful career, such as resilience and determination. As part of the programme, Pamela completed six months of remote mentoring for two specially selected Manor School pupils.

The Mintridge Foundation's successes demonstrate the incredible power of sport: from a mentee's selection, to representing Great Britain in their chosen field, to enabling disabled children to find confidence and happiness just through participation.
